MMR is accepting bids on behalf of a major oil company for scrap bin services.

Material is located at **Port Moody and Burnaby, British Columbia, Canada and surrounding areas.** **Contact** **Ashley Atkinson**

The Contractor is required to separate and report any "no value" materials and non ferrous material found present in any shipment. The Contractor will report the associated "no value" weight and nonferrous content grade and weight on the receiving gross-tare-net weight ticket to be furnished by the Contractor. Any individual grade type of nonferrous in accumulated weight of less than 100 pounds will not require separation and reporting as part of the contract.

****This bid is for a three year contract, January 2018 through January 2021**

Location	AMM Index	Estimated # of Bins per year
Port Moody, British Columbia	Los Angeles	+/-4
Burnaby, British Columbia	Los Angeles	+/-1

Attached: Attachment A: Bid sheet for Port Moody, British Columbia
 Attachment B: Bid sheet for Burnaby, British Columbia

Please place your bid in USD since it is based on the Los Angeles AMM index.

WE SUGGEST THAT YOU MAKE AN APPT. TO VISIT THE SITE TO ENSURE THE MATERIALS MEET YOUR REQUIREMENTS

Subject material to be sold on "AS IS / WHERE IS" basis.

SELLER reserves the right to reject any or all bids. Only the successful bidder will be notified of awards. Payment is in CAD and is by Cashier's Check or Wire Transfer and due upon receipt of notification of award. All sales will be charged GST. Seller description of material is based on the best available information, seller provides no express warranties and/or guarantees as to the quantity, quality, and/or fitness for any use or purpose.

Bid Close Date: December 19, 2017 (only successful bidder will be notified)
 2:00 PM Central Time
